

So much has been done,
exclaimed the soul of
Frankenstein. More, far
more, will I achieve.

Victor Horror

Op

88

I started from my sleep
with horror. A cold dew
covered my forehead,
my teeth chattered.

99

Victor

Debility

Op

88

I had deprived myself of rest
and health. I had desired
it with an ardour that far
exceeded moderation, but
now that I had finished, the
beauty of the dream vanished.

99

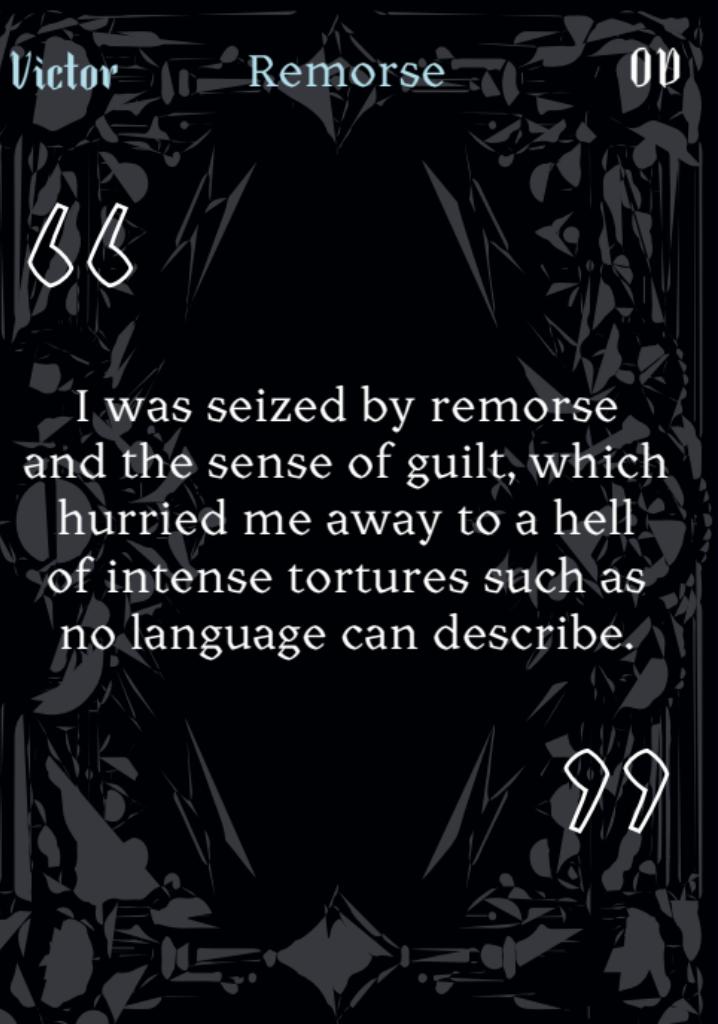

Victor Paranoia

Op

88

Everywhere I go, the
monster is with me
in my mind.

99

Victor Remorse

Op

I was seized by remorse
and the sense of guilt, which
hurried me away to a hell
of intense tortures such as
no language can describe.

Victor

Malice

Op

66

I had begun life with
benevolent intentions and
thirsted for the moment
when I should put them
in practice and make myself
useful to my fellow beings

99

Victor Ennui

0p

66

I became nervous to a most painful degree. The fall of a leaf startled me, and I shunned my fellow creatures as if I had been guilty of a crime.

99

Victor

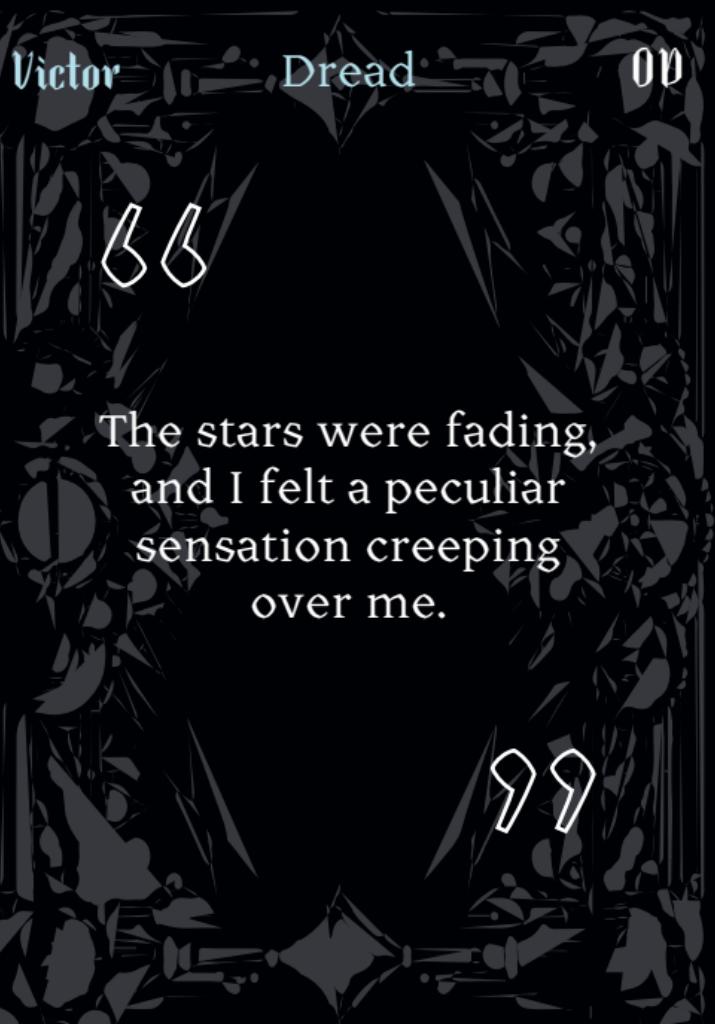

Awe

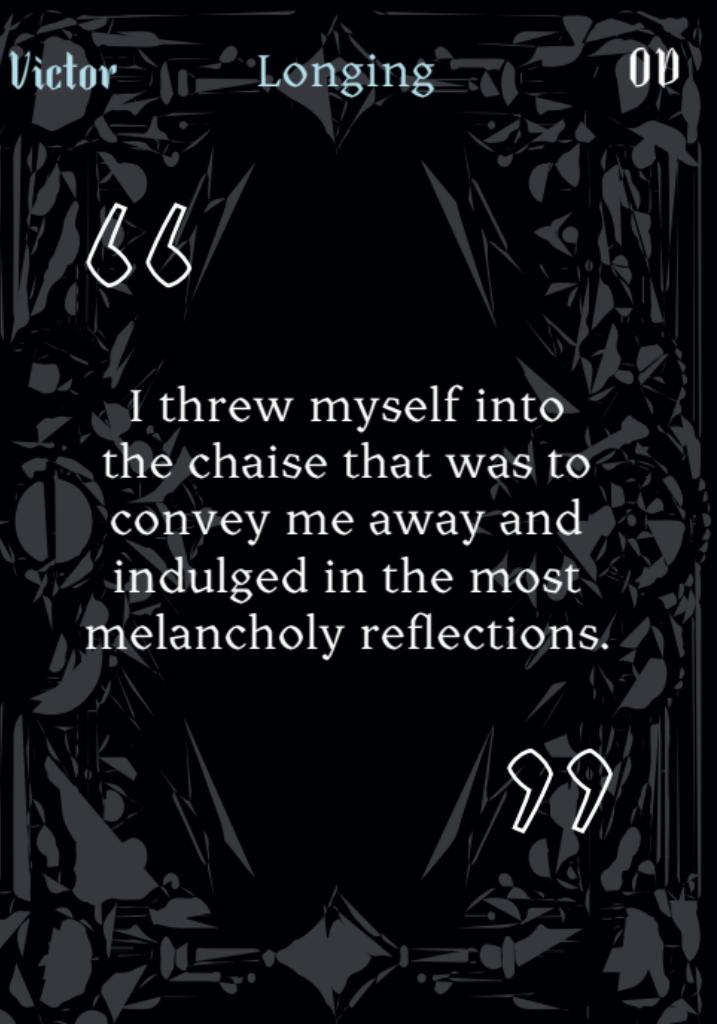

Op

66

I looked in awe on the valley beneath. Vast mists were rising from the rivers and curling in thick wreaths around the opposite mountains..

99

Victor Longing

Op

66

I threw myself into
the chaise that was to
convey me away and
indulged in the most
melancholy reflections.

99

Victor

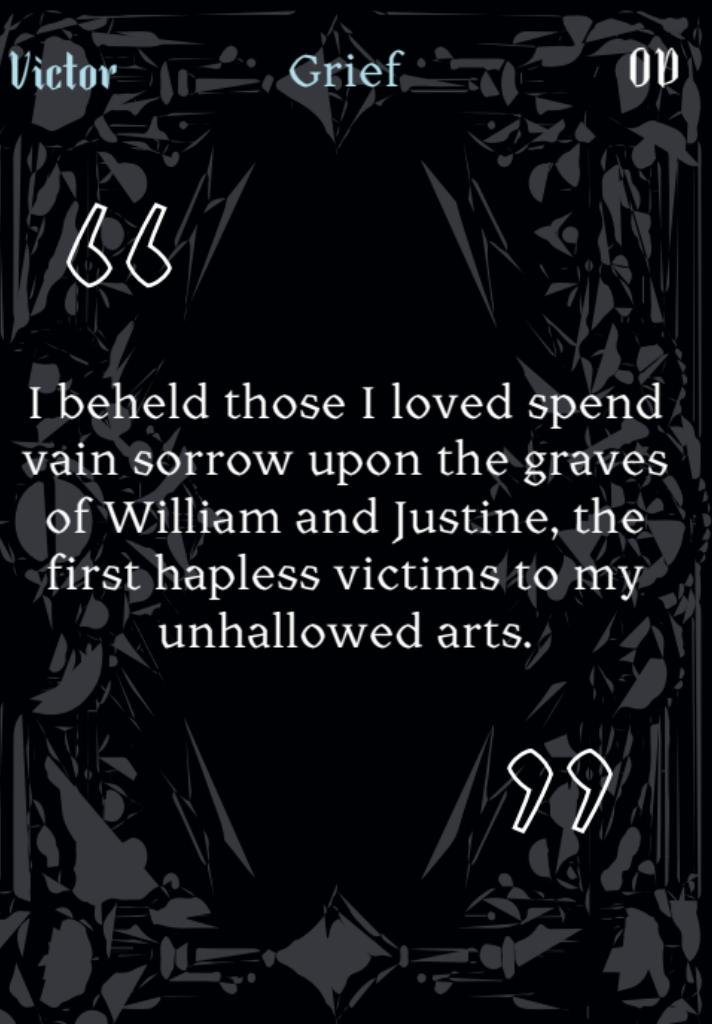

Guilt

Op

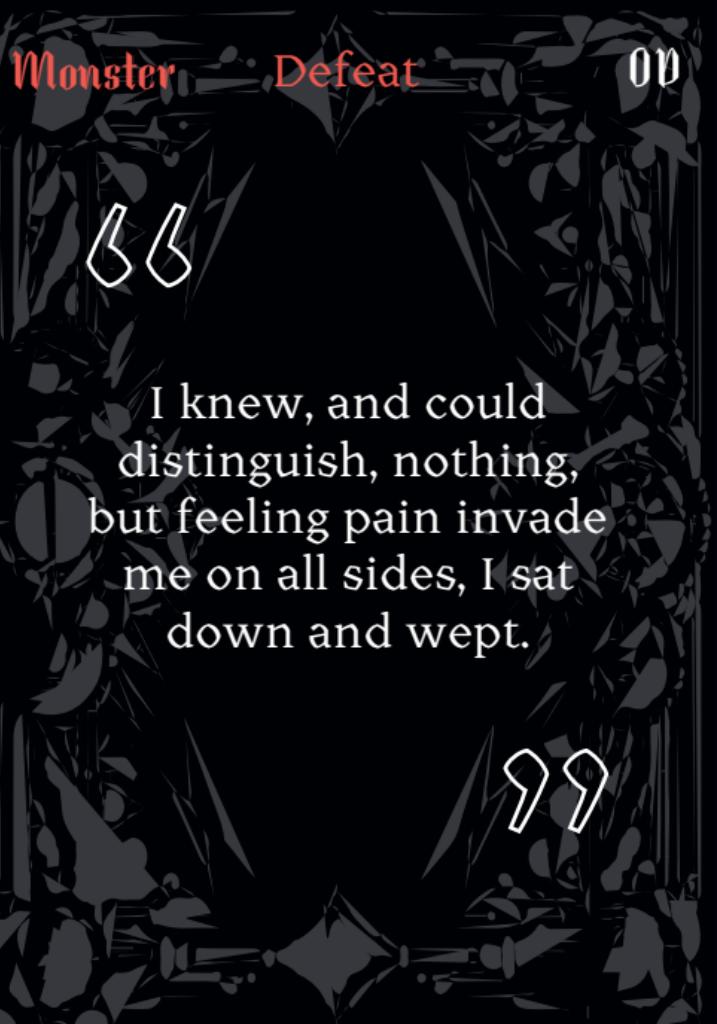

66

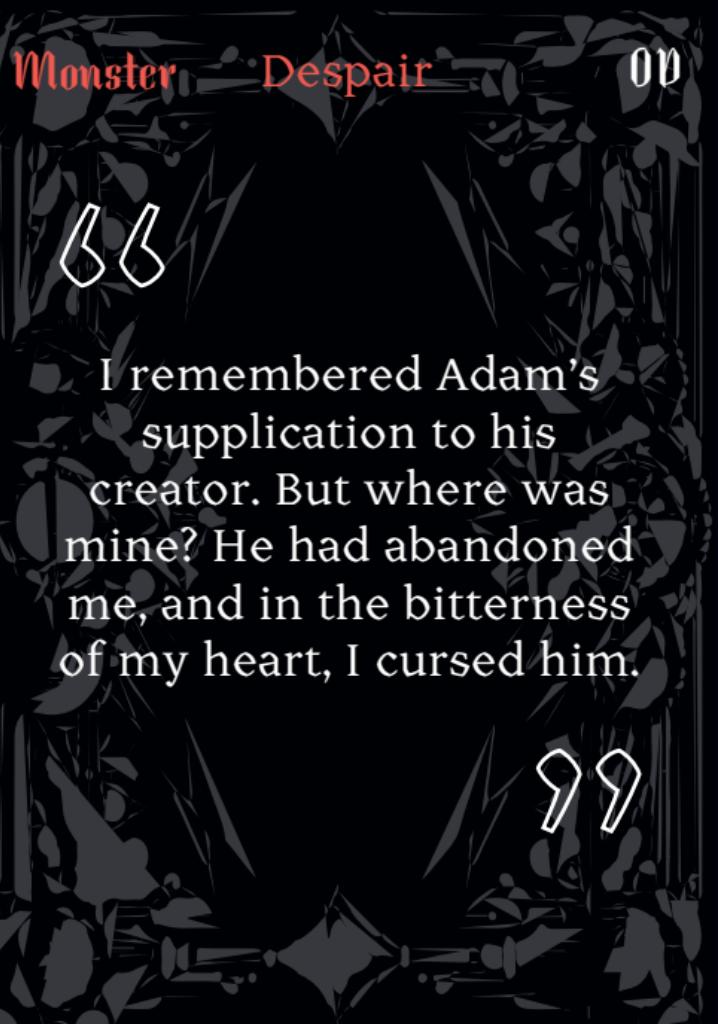

The guilty are allowed, by
human laws, bloody as
they are, to speak in their
own defense before they
are condemned.

99

I beheld those I loved spend
vain sorrow upon the graves
of William and Justine, the
first hapless victims to my
unhallowed arts.

Monster

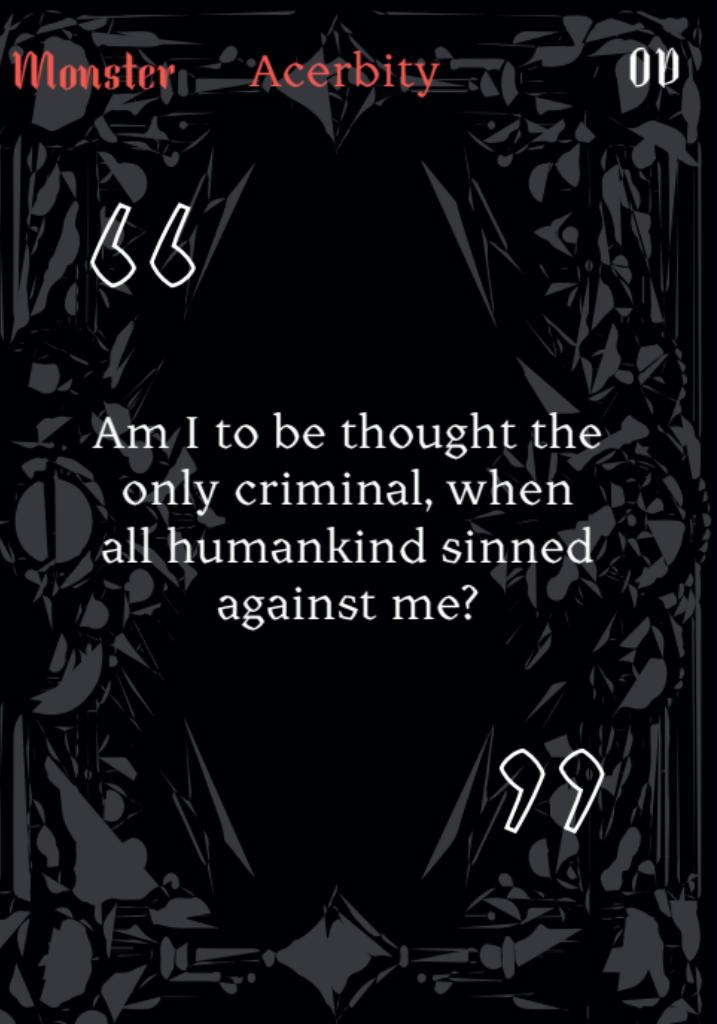

Anger

Op

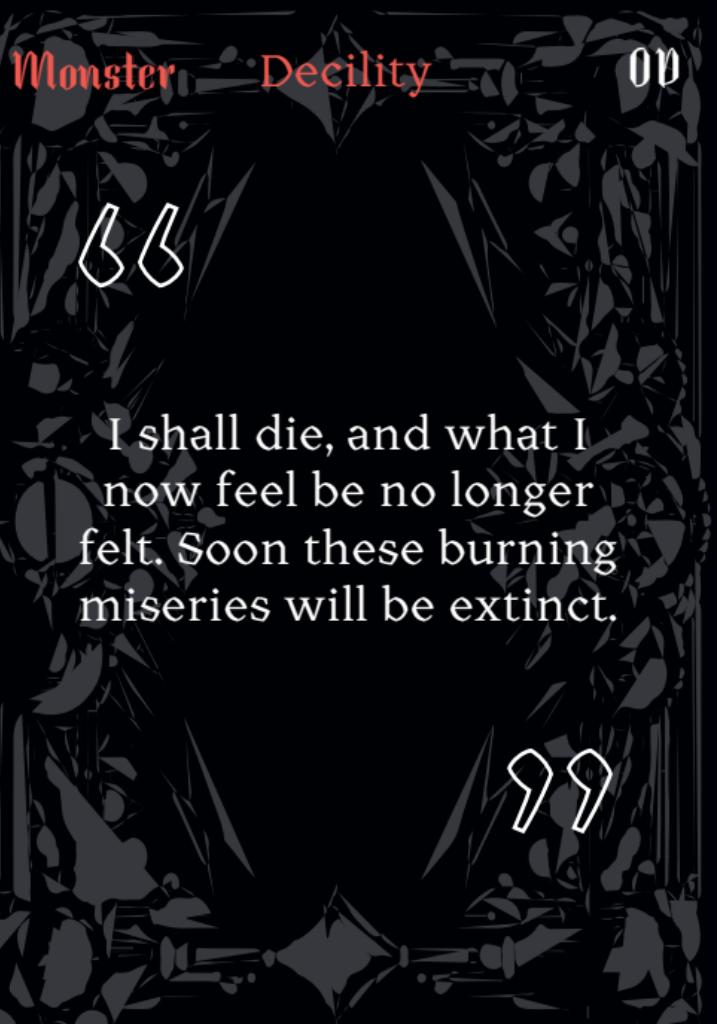

66

You belong then to my
enemy, to him towards
whom I have sworn
eternal revenge; you shall
be my first victim.

99

Am I to be thought the
only criminal, when
all humankind sinned
against me?

Monster

Decility

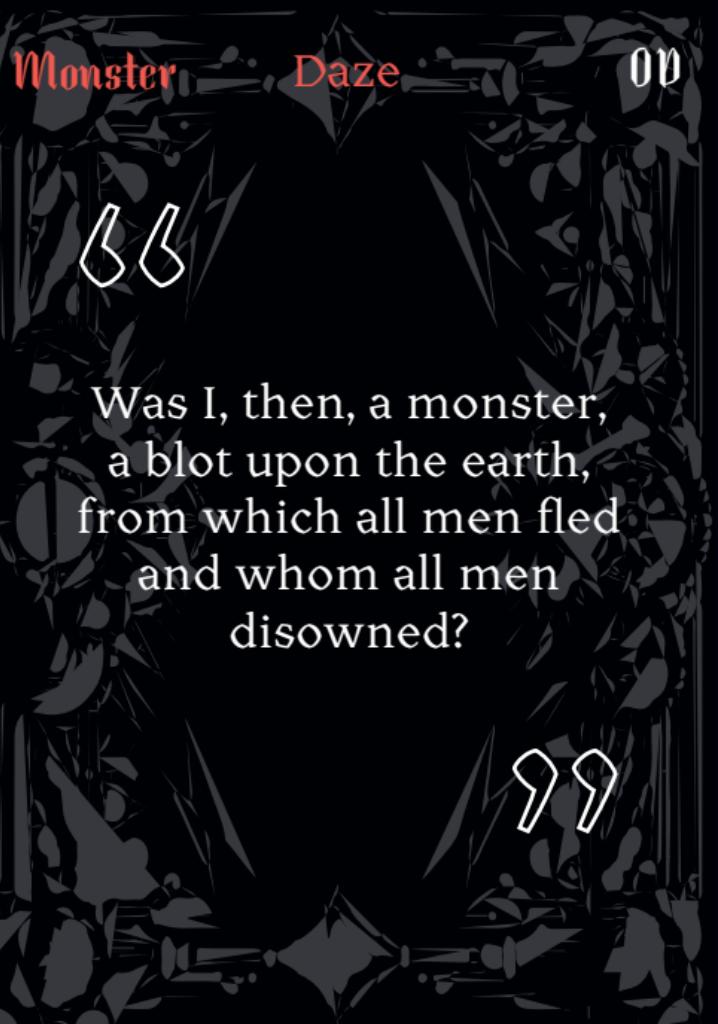

Op

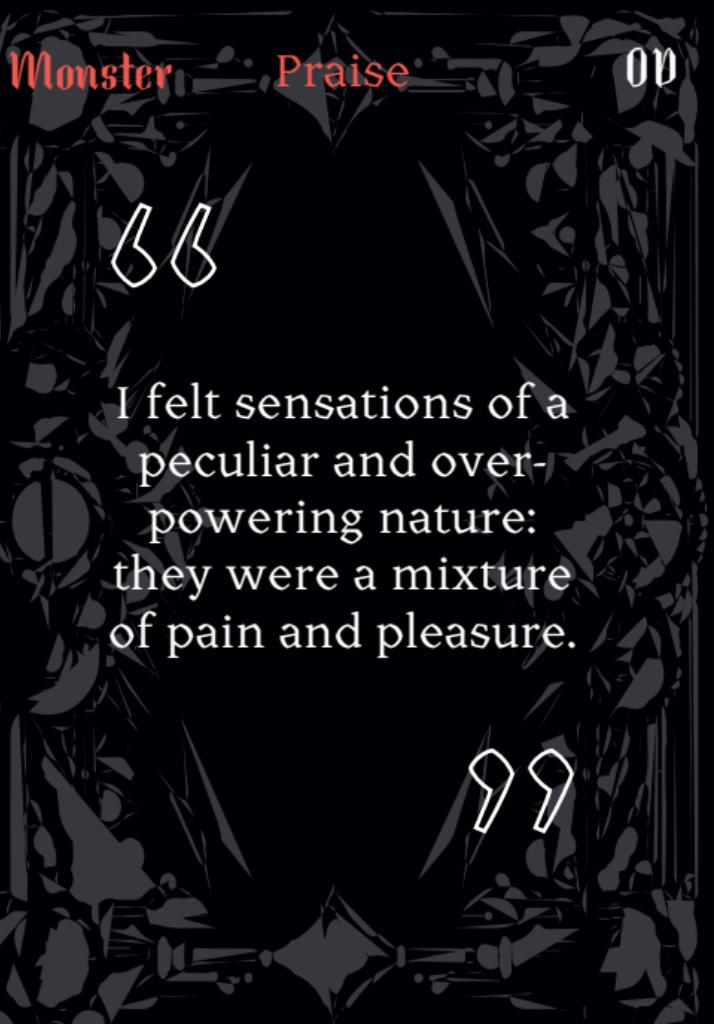

B

D

I shall die, and what I
now feel be no longer
felt. Soon these burning
miseries will be extinct.

B

I felt sensations of a
peculiar and over-
powering nature:
they were a mixture
of pain and pleasure.

Monster

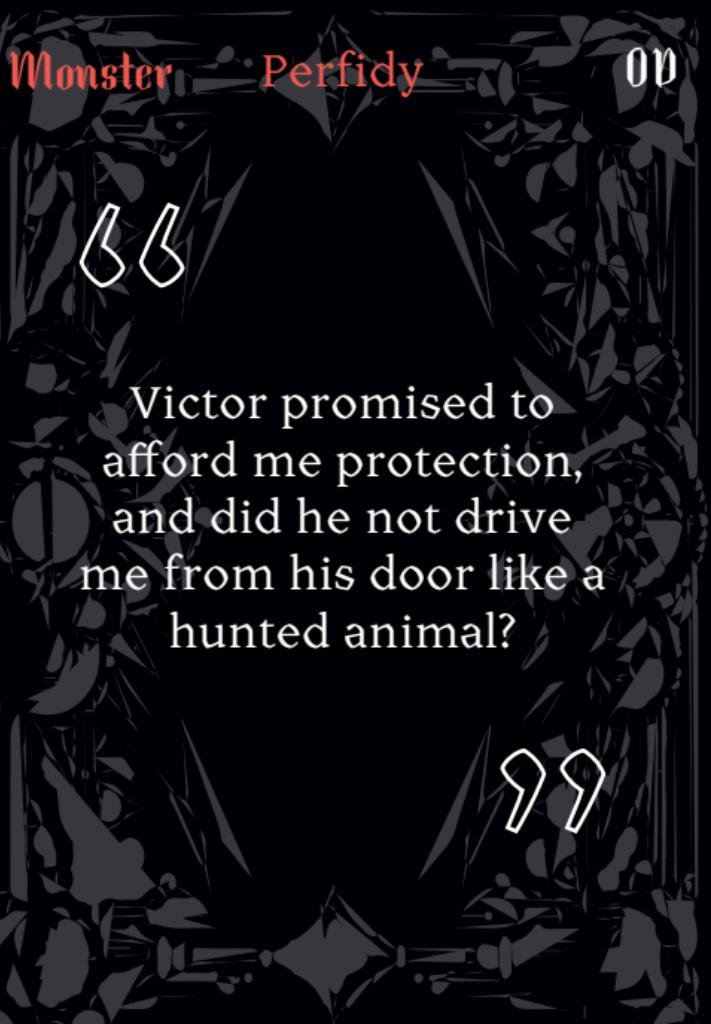

Envy

op

66

The gentle words of
Agatha and the animated
smiles of the charming
Arabian were not for me.

99

Victor promised to afford me protection, and did he not drive me from his door like a hunted animal?

Monster Wonder

OP

66

A strange multiplicity of
sensations seized me,
and I saw, felt, heard, and
smelt at the same time.

99

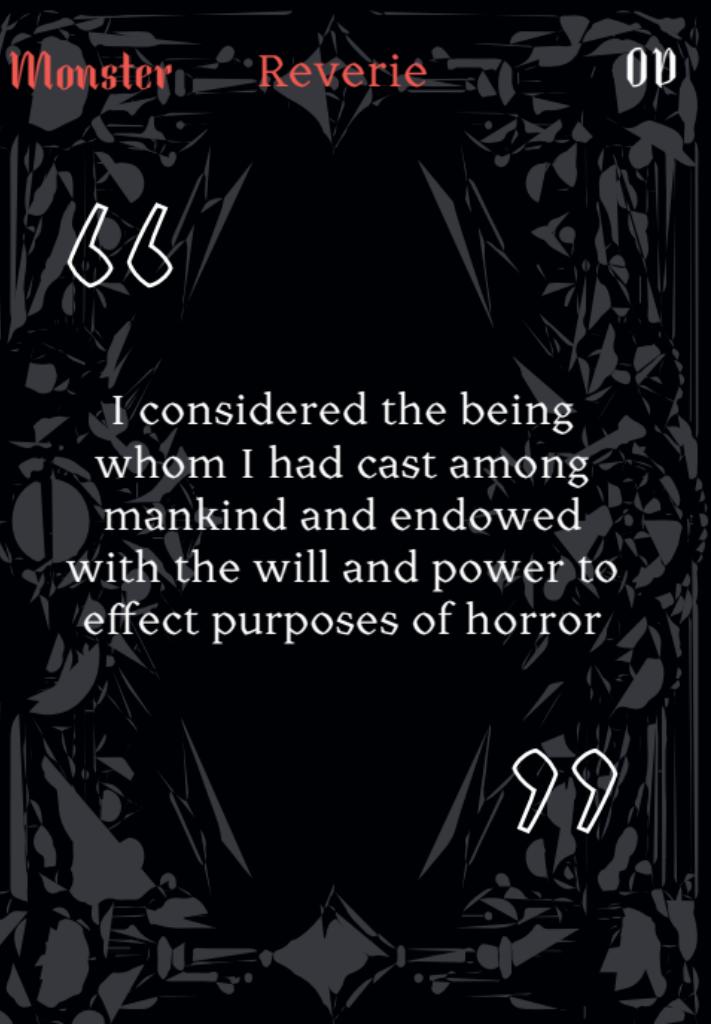

Monster Disparity

01

66

I had never yet seen a being
resembling me, or who
claimed any intercourse
with me. What was I?

99

I considered the being
whom I had cast among
mankind and endowed
with the will and power to
effect purposes of horror
